3 Occupational Health Physicians

Location : An occupational health centre located in central France

Position and tasks :

To carry out health-related examinations and assessments at workplace for the benefit of employees and, in coordination with your colleagues, the different missions inherent to the services between companies.

The required tasks may include, but are not limited to the following:

- Assure medical surveillance of employees to prevent and diagnose health conditions.
- Review results and assign a medical profile to employees based upon objective determinations of fitness for work in accordance with occupational health standards and policies.
- Determine occupational suitability (perform return to work evaluations after absence, illness or injury).
- Advise management and employees with regard to health problems and work environment, including health hazards and statutory requirements.
- Coordinate and provide guidance to the multidisciplinary health services team, including nurses, technicians and administrative staff.

A medical secretary assists you in managing your daily patient care.

Qualifications:

- Graduation with a Medical Doctorate or equivalent from a school of medicine recognised in the European Union ;
- Unrestricted license to practice medicine in the EU ;
- **Good knowledge of French is an additional advantage (B1 – C1) ;**
- Team-work skills

We provide:

- Indefinite-term employment contract (full-time or part-time) ;
- Attractive salary: up to 90,000 euros ;
- Flexible employment environment (from Monday to Friday) ;
- The opportunity to work in a stable, friendly atmosphere in a dynamically developing (80 employees), stable and international environment ;
- Support in the registration process and administrative procedures before and after arrival to France, ;
- Signing bonus - 3,000 euros ;
- Assistance in learning French : intensive training before and after arrival in France that may be financed or refunded by an employer ;
- Assistance of a mentor during the first months of your stay in France ;

- Possibility of having an interpreter during the initial period of your work ;
- An active support in the integration of your close ones in France (work, school, accommodation) ;
- Health and professional insurance ;
- Luncheon vouchers
